

Dear Parents,

We, at JUNGLE BOOK, are pleased to assist you in keeping your kids gainfully engaged during the present times.

You would agree that the 'Audio-visual' babysitters are fine – but, for a limited time only.

To keep the children mentally alert – we have some options – that are now brought to you at your home.

Our Camps equip them with skill sets that would increase their '**Critical Thinking AND Creative abilities**'.

We are pleased to offer you a complimentary 'peek' for 2 days – to help you decide soon.

We could send these to your friends & loved ones – nationwide too, if you'd like us to do so.

Register immediately to avail our limited time offer – 'A month long complimentary Library membership' - *(applicable for local members)*

In this critical time, it is important to take care of the body AND mind. You could take care of the body & we could share our expertise to take care of their 'mind'.
